Junior Class

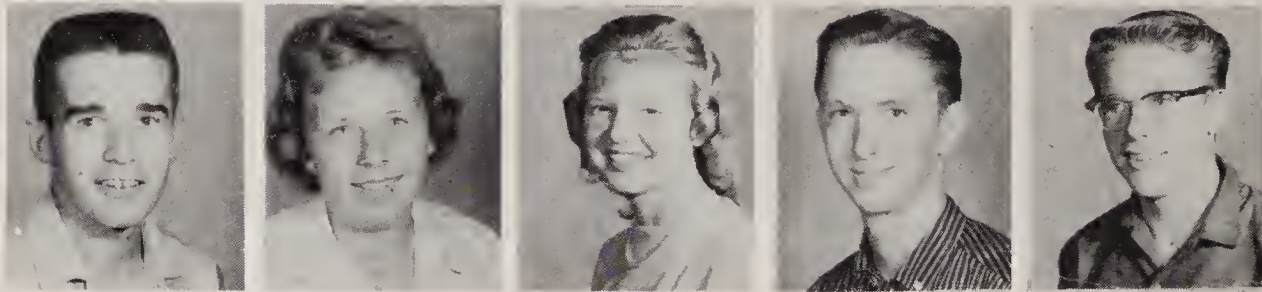

FIRST ROW: Tim Davis—Treasurer, Roberta Gates—Secretary, Tom Morton—President, Pat Whitney—Vice-President, Dixie Herthneck—Student Council Representative.
SECOND ROW: Advisors—Mr. Linn, Mrs. Neptune, Mrs. Schafer, Mrs. Hergenrader, Mr. Haas.

The Homecoming celebration started off the Juniors' busy year with a good start. It was their job to sell mums to help pay for the Junior-Senior Prom. They didn't do as well on this project as they had hoped to. They also contributed a very unique float to the Homecoming celebration. The other money-making project of the class was the operation of the concession stand during basketball games and during lunch periods. Though there was a lot of work required to accomplish their goal—raise enough money to finance the Junior-Senior Prom—the Juniors found in the work a lot of fun and a good experience.

The newcomers to our school have not had much to do their first year. Their biggest project was the float they built for Homecoming. It was quite an unusual float with no kleenex flowers to worry about. The other big project of the year was the ordering of the highly-prized class rings.

The Medina City Board of Education

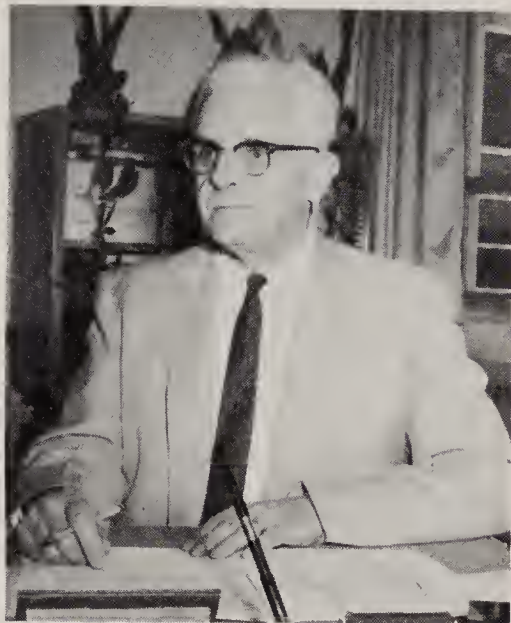

The Medina City Board of Education is working conscientiously to give the boys and girls in the Medina City School District an excellent education at as low a cost as possible. Good schools are costly, but poor schools are expensive at any cost.

The School Office

Robert Schultz

Sidney Fenn

Howard Claggett

Sally Ann Eaken

Phyllis Dayson

This is our office. Mrs. Dayson acts as secretary to Mr. Claggett and as a general school secretary, plus doing a multitude of odd jobs. She acts as cashier at lunch-time and "tracks down" any absentees who don't report to the office. Mrs. Eaken serves as Mr. Fenn's secretary and is also the advisor for Senior Y-Teens. "Go see Mrs. Dayson or 'Sally'" is the reply that is given in answer to many questions asked in our school.

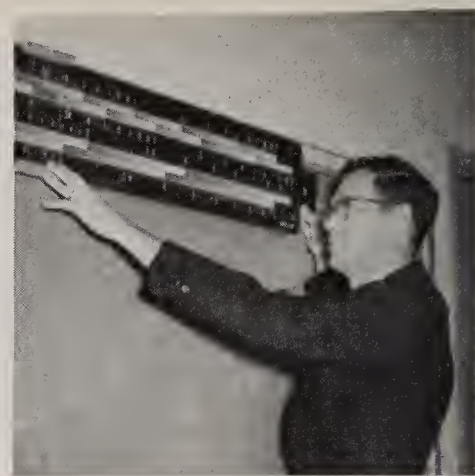

Mr. Schultz is the director of curriculum and teaching personnel. Mr. Claggett is our principal and Mr. Fenn is the superintendent of Medina City Schools.

Football

About forty boys tried their hand at football this year. We can't say that our team would have made all-state, but the sportsmanship shown at each game made up for our poor record this year. The 1960 Medinian staff would like to congratulate the Bees on this account. As Mr. Claggett said at the football banquet, "We came in second at every game."

Through two seasons of sports there were five outstanding girls out in front rooting for our boys. These were our well-known cheerleaders. In their snappy green 'n' white outfits they cheered with all their might. When the score was low and the spirits were dying, they led the team on to victory.

Cross-Country

Six ambitious young distance runners from Medina High were the first to represent the Bees at area cross-country courses in many years. Though they found the competition from the more experienced Akron district runners very tough, our own inexperienced harriers made a showing of which we can be proud. Ken Henke, a junior, did extremely well, and may look forward to another successful year as a senior.

Twenty-five basketball rompers turned out this year to try their hand at round-balling. Though there was no winning record set, each game proved exciting and enjoyable.

Even in the games that we lost, we gave the opposing team a "run for their money." Because the team made every game exciting by fighting to the end, the grandstands were always overflowing with Medina rooters.

HOLIDAY TOURNAMENT

Bill Gardner and Art Stockman accept the 1st place trophy for Medina; Clark Sheeley and John Sestina of Brunswick with the runner-up trophy.

Wrestling

Jim Cooper, Bill Harper, and Tony Aronica watch while Mr. Currens and Eric Loveman wrestle.

The newest of the boys' sports is the "rough and ready" game of wrestling. Each match develops the matmen in sportsmanship, character, and endurance. With the boys working hard, maybe next year we'll have a championship team. It would probably encourage the boys to win, and it would certainly boost their morals, if they were better supported by the school. Let's hope that they get more support next year.

John Shackelford, Garet Munger and Rod Hartman stand by as Mr. Currens helps Danny Moore and Perry Cool with a hold.

George Laurenz, Jamie Culler, and Bill Sternecker concentrate on instructions given by Mr. Currens and demonstrated by Ken Henke and Jim Hewitt.

Diversions

Homecoming

Homecoming of 1959 was very impressive. To start the day off, the parade that afternoon ended with wet and wilted hopes and kleenex flowers.

Though our Bees did not win the game, the dance went off with all the fun and frolic that should be included in any Homecoming celebration. We know it will be one of the lasting memories of the class of '60.

Marching Band

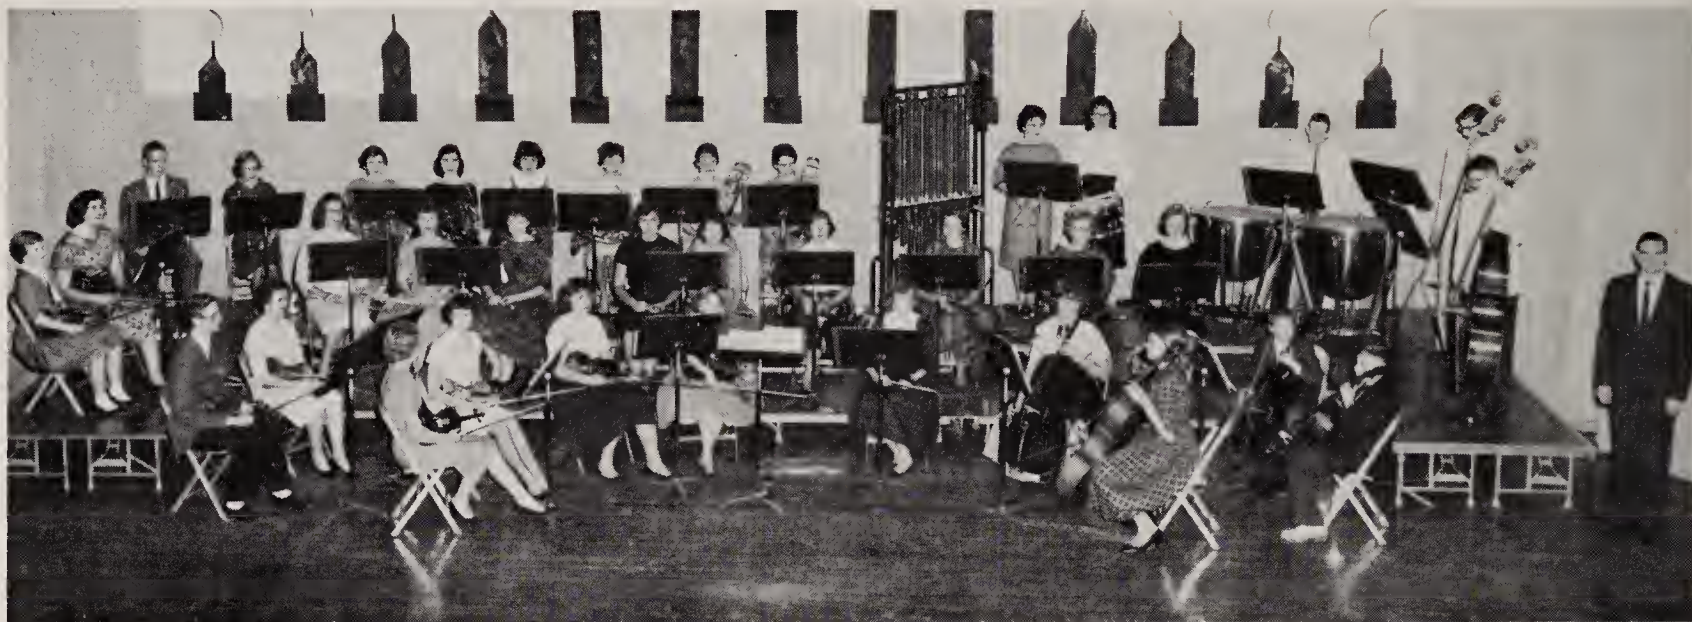

Our Medina High School Musical Bees entertained during the half-time of all our football games with exciting and sometimes amusing shows. After football season their time was spent in preparation for the spring concert.

The main event that every band member looks forward to is the trip to some not-too-far-distant city. This year the trip was taken to Columbus where a joint concert was given, and a night was spent in fun and get-togethers.

Among the many activities in which the Y-Teens participated during this school year were the Y-Teen Formal, the Fashionation Premier, and a combined Hi-Y and Y-Teen dance. Many of their projects were carried out in order to earn money for some worthy organization.

Carol Garver, Brenda Hubal, Peggy Hyatt

Y-Teen Formal

One of our most gala affairs this year was the "girl-ask-boy" dance commonly known as the Y-Teen Formal.

With the heavenly sounds of the Al Day orchestra and a wonderful turnout, everything was set for the perfect evening.

The decorations depicting a winter scene, the colorful dresses of the girls, and the sharp-looking boys created an atmosphere of gaiety and romance.

There were many activities to keep the girls busy during the year. One of the outstanding activities was the competitive intra-club basketball game between the Hobos and the Garter Girls. After a hard fight, the Hobos came out on top. Other activities were swimming in Akron, playdays at 6:30 A. M., and playdays after school with other G. A. A. clubs in this area.

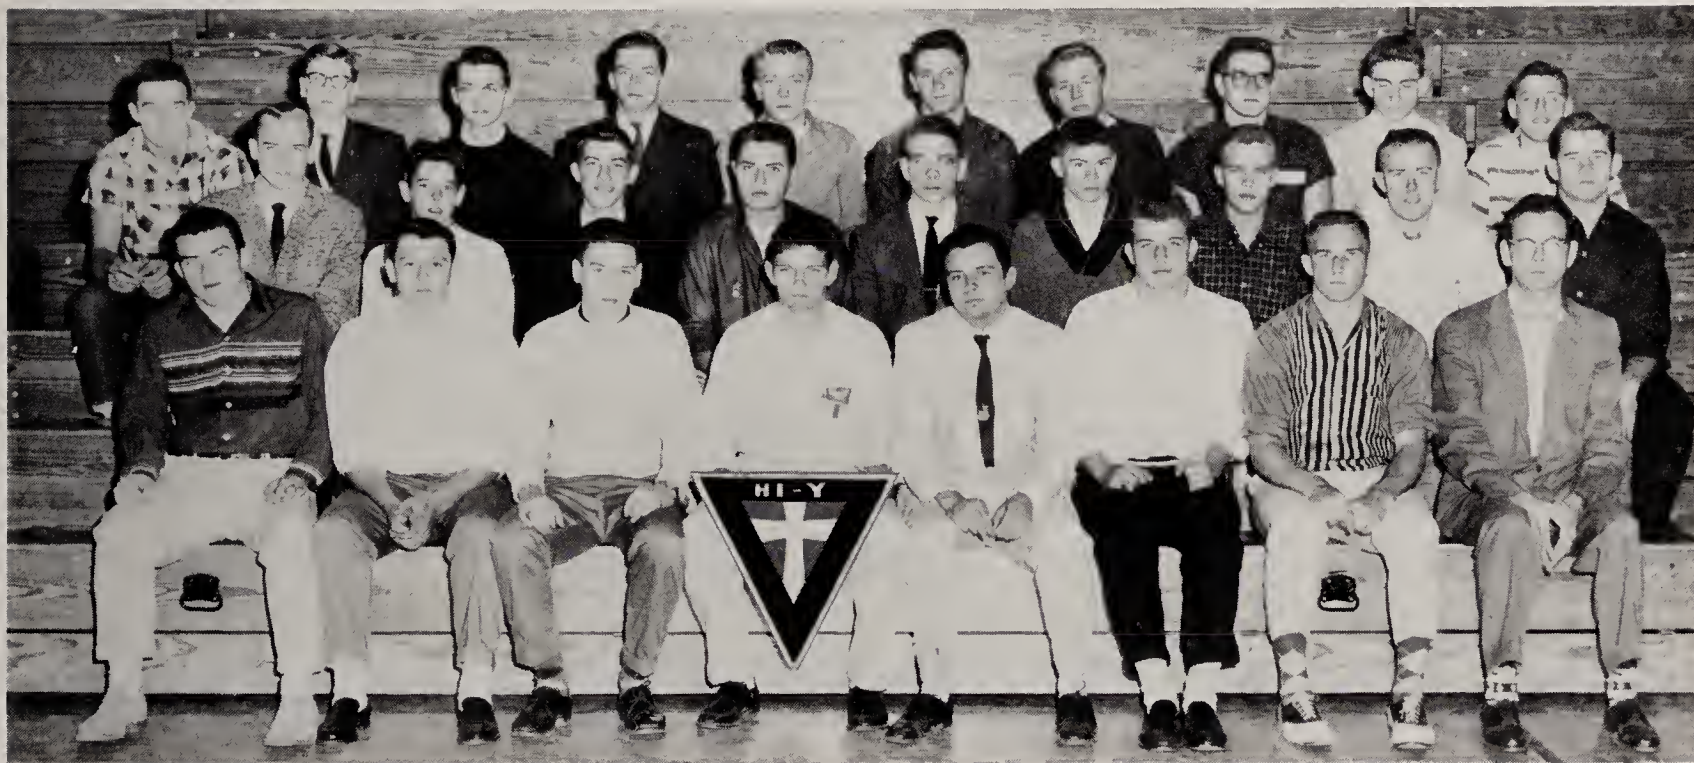

Hi-Y

The purpose of Hi-Y is to create, maintain, and extend high standards of Christian character throughout the school and community.

The only requirement for being a member of this organization is that the boy must be a sophomore, junior, or senior.

The boys went to the General Motors Research Center for one of their meetings. On February 27, they journeyed to Kent State University to prepare for the model legislature which they will conduct in Columbus at a future date.

Girls Leaders Club

The purposes of G. L. C. are to instill and promote a sense of responsibility and leadership in its members and to further interest in the welfare of others.

The faculty recommends possible members, and the club selects those who have the best qualifications. The choices for membership are made on the basis of scholarship, leadership, character, dependability, and sportsmanship.

The activities of the club include selling tickets at football and basketball games and feeding the basketball team, coaches, and managers after the basketball games.

One special project at the beginning of the basketball season was the "adoption" of a member of the team by a member of the club. Each girl gives her "adopted brother" a lucky charm, and at Christmas, she gives him a Christmas present.

A star is received for every ten points he earns from then on. This year twelve people earned enough points to be members.

The main project of the entire year was the Thespian play which was performed in the spring. The cast and crewheads consisted mainly of Thespians.

classes, president of a school organization, editor of the *Medinian*, or editor of the *Medinamite*.

An organization must be recognized by the Student Council before it can be represented in the Student Council.

Some of the annual activities of the Student Council include being in charge of the Homecoming celebration, sponsoring the Holiday Hop, decorating the lobby for Christmas, and engaging entertainment for the assemblies of the next year. ODE TO AN UPPERCLASSMAN

You can tell a Freshman
 By his silly eager look,
 You can tell a Sophomore
 'Cause he carries one less book,
 You can tell a Junior
 By his dashing air and such,
 And you can tell a Senior
 But boy you can't tell him much!
